Dear Mr. Bose,

It was a pleasure speaking with you earlier today about the above-referenced U.S. patent application, for which you are listed as a joint inventor. The attached PDF file is a published copy of the international patent application corresponding to the US application.

Please review the application and your residence and citizenship information listed on the attached Declaration and Assignment forms. We updated these forms based on the information you confirmed this morning.

After doing so, please sign and date the Declaration and Assignment forms and return the signed documents to me at the address noted below. If possible, we would appreciate receiving a scanned copy or facsimile of the signed forms by **June 17, 2008**, so we can provide them to the U.S. Patent and Trademark Office by the deadline of June 20, 2008. Please forward the originals thereafter

via US mail to the address listed below.

As further discussed, please forward Mr. Duan's email and business contact information, so we can readily follow up with him as well on this matter.

Thank you again for your assistance on this important matter. If you have any questions, please contact me at 202-824-3244.

Best regards,  
Anthony Kandare

Dear Subhra:

You are listed as one of the inventors on the above referenced patent applications. As outside counsel for Reuters, we need to confirm that you contributed to the conception of at least one of the pending claims in these applications and, thus, should be listed as an inventor on them.

The applications are identical, as the U.S. application is simply a copy of the international patent application as filed in the United States. Thus, we have only included a copy of the parent international patent application as published for your review.

Please review the enclosed application and your residence and citizenship information listed on the attached Declaration and Assignment forms. After doing so, please sign and date the Declaration and Assignment forms, and return the signed documents to me in the enclosed Federal Express envelope.

In addition, please send a copy of the signed Declaration and Assignment forms to me via email ([akandare@bannerwitcoff.com](mailto:akandare@bannerwitcoff.com)) or fax (202-824-3744) by June 19, 2008, so we can file them with the U.S. Patent and Trademark Office by the deadline of June 20, 2008.

If you have any questions, or believe you should not be listed as an inventor on these applications, please contact me on 202-824-3244 as soon as possible.
